Reflection Questions

1. What are some ways Jesus demonstrates His sovereignty (control/rule) in this passage?
2. What was the significance of the Passover meal to the Jews? Why were they required to celebrate it each year? What does it call for them to remember?
3. How would you explain communion (or the Lord's Supper) to someone who didn't understand it? What questions do you (or your children) still have about communion?
4. Read Hebrews 9 & 10. How do these chapters show that Jesus' sacrifice for our sins is better than the old way of doing things? What are some of the differences?
