

“Is the Great Commission Your Mission?”

Acts 9:19- 31 – *Pastor Seth Swartzendruber*

Main point: Is the Great Commission your personal mission?

1. The Great Commission is the primary focus for all believers in the book of Acts.

2. Do not seek safety in biblical sounding excuses to remove yourself from the call (duty) of the Great Commission.
 - a. Excuses
 - i. “that was only for the apostles...”

 - ii. “they had it easy, they were often accompanied by miracles...”

 - iii. the “aspire to live quietly excuse”

 - iv. the gift of evangelism excuse

3. Walking in the fear of the Lord means taking part in the Great Commission personally.
 - a. More gospel proclamation, less church hopping to increase (multiply) numbers.
